The Journey

It is almost 20 years ago that Amy and Don married and immediately headed to Africa to begin a life long journey of ministry together with the amazing people of East and Central Africa. Along came Joshua and Nathaniel who also came to know Africa as home and developed friendships that have lasted a lifetime. June holds a chance for us to return to East Africa to see and participate once again first hand in the work and ministry of seeing lives empowered spiritually and physically. You are an important part of this journey and we invite you to join us in prayer as we make this important trek.

Finding Home

Finding home for us has always been a challenge and joy. Whether in the USA or in Africa we feel and live out a calling on our hearts to see lives changed and empowered for God.

Amy will be working alongside of the women providing encouragement and connections that help strengthen lives and the ministry of ELI.

Don will reach and preach in villages and continue to follow-up with administrative advancements. The family will also visit many homes of the over 400 families that have been transformed from brewing to positive work and life in Christ because of ELI training.

Joshua and Nathaniel will connect with friends from the village and Children's Homes and lend a hand on a special water pump we are developing in partnership with up and coming engineers from the USA.
